WHO WE ARE

Vishwanetra Integrated Solution Pvt. Ltd. is an integrated corporate services company providing dependable manpower outsourcing, logistics management, transportation coordination, and facility upkeep to businesses across India.

We combine trained people, disciplined processes, and technology-enabled reporting to help organisations manage their day-to-day operations with peak efficiency and uninterrupted continuity.

OUR VISION

To build India's most trusted integrated services platform that empowers businesses to scale their workforce and operational infrastructure with confidence.

OUR MISSION

To provide reliable and responsive manpower, logistics and facility-management solutions through trained teams, strong operational supervision, transparent communication, and compliance-focused delivery.

OUR APPROACH

Understand › Plan › Mobilise › Execute › Monitor › Report › Improve

CORE VALUES

- **Integrity** — Transparent, accurate, responsible
- **People First** — Respectful workforce management
- **Accountability** — Clear ownership at every level
- **Compliance** — Statutory & contractual attention
- **Discipline** — Attendance, productivity, process
- **Improvement** — Proactive corrective actions

END-TO-END WORKFORCE MANAGEMENT

Planning | Recruit | Vetting | Deploy | Supervise | Attendance | Payroll | Review

Vertical Expertise & Operating Environments

We adapt recruitment criteria, fleet arrangements, and supervisory structures to match the operational tempo of each industry, ensuring high productivity, zero downtime, and strict statutory compliance.

01 E-Commerce & Quick Commerce

Fulfilment centre, warehouse, picking, packing, sorting and dispatch support. Ready deployment during mega-sales, festive events, and sudden volume surges.

FC Ops • Sorting • Picking & Packing

02 Retail & Store Distribution

Distribution centres, retail stores, warehouse and transportation support. Streamlining shelf-stocking, inventory auditing, cycle counts and inter-store transit.

Store Transit • Stocking • Audits

03 Manufacturing & Plants

General workforce, material handling, production lines and plant logistics support. Providing disciplined multi-shift labor for plant operations and raw material movement.

Shift Labor • Material Flow • Plant Support

04 Warehousing & 3PL Logistics

Inbound receiving, outbound dispatch, cross-docking, picking, packing and loading. Helping third-party logistics firms maintain rapid truck turnaround and inventory precision.

Cross-Docking • Fast Turnaround • In/Outbound

05 FMCG & Consumer Products

Warehouse, regional distribution and transportation support. Ensuring careful handling of fast-moving packaged goods, strict batch integrity, and route coordination.

Batch Integrity • Fast Transit • Route Control

06 Corporate & Commercial Sites

Housekeeping, facility management, pantry and office support. Providing discreet, professional, and well-groomed personnel for premium commercial office premises.

Facility Upkeep • Pantry • Office Staff

07 Logistics & Supply Chain

Fleet coordination, warehouse operations, manpower and field support. Linking hubs, transit junctions, and mother facilities with dedicated transport and verified drivers.

Line-Haul • Dedicated Fleet • Drivers

08 BFSI — Banking & FinTech

Support staff, back-office personnel, document management, ATM care and facility services for banks, NBFCs and fintech firms. 100% compliant and background-verified.

ATM Ops • Document Handling • Verified

09 Pharma & Healthcare

Skilled workforce for pharma manufacturing, temperature-controlled cold-chain logistics, medical distribution and healthcare facility upkeep adhering to GMP standards.

GMP Aware • Cold Chain • Hygiene Compliant

OUR CORE SYNERGY

The Vishwanetra Unified Advantage

A synchronized ecosystem that eliminates vendor fragmentation, lowers coordination overhead, and provides seamless transparency across your operational footprint.

HIGHLIGHTED INTEGRATED SERVICE MODEL

MANPOWER + LOGISTICS + FACILITY + SUPERVISION + COMPLIANCE

Single-Window Accountability • Consolidated SLA

High Volume Elasticity

Rapid ramp-ups during peak seasons, festive rushes & sale spikes.

Sector-Specific Training

Personnel trained in GMP, safety SOPs, barcodes & WMS systems.

Dedicated Floor Supervision

Shift-in-charge attendance, real-time reports & SLA governance.

HIGH OPERATIONAL RESILIENCE • RAPID MOBILISATION • END-TO-END VISIBILITY
